

Maztaa — Privacy Policy

Last Updated: 25 August 2026

Maztaa ("Maztaa", "we", "us", or "our") respects your privacy and is committed to handling personal information responsibly.

This Privacy Policy explains how Maztaa collects, uses, stores, protects, and shares personal information when you visit our website, purchase our services, submit project information, or otherwise interact with Maztaa.

By using the Maztaa website or services, you acknowledge the practices described in this Privacy Policy.

1. Information We Collect

We collect information that is reasonably necessary to operate our website, process purchases, communicate with clients, and provide our services.

Depending on how you interact with Maztaa, we may collect:

- Full name
- Business name
- Email address
- Phone number
- Business address
- Website address
- Social media links
- Project requirements
- Business information
- Website content
- Logos and brand assets
- Images and other media
- Design preferences
- Project feedback
- Messages and project communications
- Information submitted through forms
- Information required for project delivery

We do not intentionally collect information that is unnecessary for the purposes described in this Policy.

2. Payment Information

Payments for Maztaa services may be processed through **Whop** or other payment providers used by Maztaa.

Maztaa does not normally directly store complete payment-card information such as full card numbers or CVV codes.

Payment providers may provide Maztaa with information necessary to manage a transaction, such as:

- Customer name
- Email address
- Transaction ID
- Product or service purchased
- Payment status
- Transaction amount
- Refund information
- Chargeback information

Payment information handled by the applicable payment provider is subject to that provider's own privacy policy and terms.

3. Information Collected Automatically

When you visit the Maztaa website, certain technical information may be collected automatically.

This may include:

- IP address
- Browser type
- Device type
- Operating system
- Approximate location
- Referring website
- Pages visited
- Time spent on pages
- Website interactions
- Technical information

- Error and diagnostic information

This information may be collected through hosting infrastructure, analytics services, cookies, security tools, or similar technologies.

4. Cookies and Similar Technologies

Maztaa may use cookies and similar technologies to:

- Provide essential website functionality
- Remember preferences
- Understand website usage
- Improve website performance
- Analyze traffic
- Detect security issues
- Improve user experience

Some cookies may be necessary for the website to function.

Where applicable law requires consent for non-essential cookies or similar technologies, appropriate consent will be requested before using them.

5. How We Use Your Information

Maztaa may use personal information for the following purposes.

Providing Our Services

We may use information to:

- Understand project requirements
- Design and develop websites
- Configure projects
- Communicate about projects
- Provide support
- Process revisions
- Deploy websites
- Complete project handover

Managing Purchases

We may use information to:

- Confirm purchases

- Track payments
- Manage milestone payments
- Maintain business records
- Process refunds
- Handle payment disputes

Communication

We may use information to:

- Respond to enquiries
- Send project updates
- Request required information
- Discuss project requirements
- Provide support
- Communicate about payments or important service matters

Improving Maztaa

We may use information to:

- Improve our website
- Improve our services
- Understand website usage
- Identify technical problems
- Improve customer experience

Security

We may process information to:

- Detect fraud
- Prevent abuse
- Protect our systems
- Investigate suspicious activity
- Maintain website and service security

Legal and Business Purposes

We may process information when reasonably necessary to:

- Comply with applicable laws
- Maintain accounting and business records

- Respond to lawful requests
 - Establish or defend legal claims
 - Protect our legal rights
-

6. Legal Bases for Processing

Where data-protection laws such as the UK GDPR or applicable European data-protection laws apply, Maztaa will process personal information using an appropriate legal basis.

Depending on the circumstances, this may include:

Contract

We may process information when necessary to provide a service you have purchased or to take steps requested before entering into a contract.

Legal Obligation

We may process information when necessary to comply with applicable legal, tax, accounting, or regulatory requirements.

Legitimate Interests

We may process information where reasonably necessary for legitimate business interests, such as:

- Website security
- Fraud prevention
- Customer support
- Service improvement
- Business administration
- Protecting legal rights

Where required, we will consider whether our legitimate interests are appropriate in light of the individual's rights and interests.

Consent

Where consent is required, we will request it before carrying out the relevant processing.

Where consent is the legal basis for processing, you may withdraw your consent. Withdrawal does not affect processing that occurred before the withdrawal.

7. Information Provided During Website Projects

When you purchase a Maztaa service, you may provide information required to build your website.

This may include:

- Business descriptions

- Contact information
- Product or service information
- Pricing
- Images
- Logos
- Brand guidelines
- Marketing content
- Domain information
- Technical requirements
- Account access
- API credentials or other technical information where necessary

Maztaa uses this information only as reasonably necessary to provide the agreed service.

8. Account Credentials and Technical Access

Where possible, clients should provide access through invitations, account permissions, or other secure access methods instead of sharing passwords directly.

Clients should avoid providing:

- Passwords
- Two-factor authentication codes
- Recovery codes
- Private API keys

through ordinary communication channels unless a secure method has been specifically arranged.

Maztaa will request only the access reasonably necessary to perform the agreed work.

9. Third-Party Services

Maztaa may use third-party services to operate its business and deliver websites.

Depending on the service or project, these may include:

- **Whop** — payment processing and transactions
- **Vercel** — website deployment and hosting
- **GitHub** — source-code hosting and development collaboration
- **Supabase** — databases and authentication

- **Google services** — authentication, analytics, maps, APIs, or related functionality
- Domain registrars — domain registration and management
- Analytics providers — website analytics
- Other technology providers necessary for project delivery

The specific third-party services used may vary between projects.

Third-party providers may process information according to their own privacy policies and terms.

10. Client Websites and Personal Data

A website developed by Maztaa may collect personal information from the Client's own customers or users.

For example, a client website may collect:

- Customer names
- Email addresses
- Phone numbers
- Booking information
- Enquiry information
- Login information

Where the Client determines why and how this information is collected, the Client is generally responsible for ensuring that its website and business practices comply with applicable privacy and data-protection laws.

Maztaa provides technical development services and does not automatically become responsible for the Client's legal obligations.

Where Maztaa processes personal information on behalf of a Client, additional contractual arrangements, such as a **Data Processing Agreement (DPA)**, may be required depending on the project and applicable law.

11. Sharing Personal Information

Maztaa may share personal information with:

- Payment providers
- Hosting providers
- Technology providers
- Domain registrars
- Analytics providers

- Authentication providers
- Professional advisers where reasonably necessary
- Government authorities or law-enforcement agencies where legally required

Maztaa does not sell personal information to third parties as a business practice.

Information is shared only where reasonably necessary for the relevant purpose or where required or permitted by applicable law.

12. International Data Transfers

Maztaa operates from India and may provide services to clients located in countries including the United Kingdom, Norway, the European Economic Area, the United States, and other jurisdictions.

Some third-party technology providers may store or process information outside your country.

Where applicable data-protection laws require safeguards for international transfers, Maztaa will take reasonable steps to use appropriate safeguards.

13. Data Retention

Maztaa retains personal information only for as long as reasonably necessary for the purposes described in this Privacy Policy.

The retention period may depend on:

- The nature of the information
- The purpose for which it was collected
- Whether you remain a client
- Legal and accounting requirements
- Security requirements
- Disputes or potential legal claims

Project and transaction records may be retained after project completion where reasonably necessary for accounting, customer support, legal, security, or business-record purposes.

When information is no longer reasonably required, Maztaa may securely delete or anonymize it.

14. Data Security

Maztaa takes reasonable technical and organizational measures designed to protect personal information against:

- Unauthorized access
- Accidental loss

- Misuse
- Unauthorized disclosure
- Alteration
- Destruction

Depending on the service, security measures may include:

- Access controls
- Authentication
- Secure hosting
- Encryption where supported
- Limited access to project information
- Secure development practices
- Software updates
- Security monitoring

However, no internet-based system can be guaranteed to be completely secure.

15. Your Privacy Rights

Depending on your location and applicable law, you may have rights relating to your personal information.

These may include the right to:

- Request access to personal information
- Request correction of inaccurate information
- Request deletion
- Request restriction of processing
- Object to certain processing
- Request data portability
- Withdraw consent
- Object to certain direct marketing
- Lodge a complaint with a relevant data-protection authority

Not every right applies in every situation.

For example, Maztaa may be required to retain certain information for legal, tax, accounting, security, or dispute-related purposes.

16. Privacy Requests

Where applicable law provides you with privacy rights, requests may be submitted through the communication channel associated with your Maztaa purchase or project.

Maztaa's current customer support channel is:

Maztaa Support Chat

When making a privacy request, you may be asked to provide sufficient information to verify your identity and locate the relevant records.

Maztaa will respond within the timeframe required by applicable law.

17. Direct Marketing

Maztaa may contact existing or prospective business customers about Maztaa services where permitted by applicable law.

Where consent is required, appropriate consent will be obtained.

You may opt out of marketing communications through the applicable communication or unsubscribe mechanism provided with the communication.

You may still receive necessary non-marketing communications relating to:

- Purchases
 - Payments
 - Projects
 - Support
 - Security
 - Legal or policy updates
-

18. Analytics

Maztaa may use analytics services to understand how visitors interact with its website.

Depending on the tools used, analytics information may include:

- Pages visited
- Device type
- Browser information
- Approximate location
- Referral source
- Session information

- Website interactions

Where applicable law requires consent for analytics technologies, appropriate consent will be obtained.

19. Google Services

Maztaa may use Google services such as:

- Google Analytics
- Google Maps
- Google Search Console
- Google Fonts
- Google Authentication
- Google APIs

The specific Google services used will depend on the website or project.

Google may process information according to its own privacy policies and terms.

When a Client website uses Google services to process information belonging to the Client's customers, the Client may have additional privacy obligations.

20. Supabase

Maztaa may use **Supabase** for services such as:

- Database storage
- Authentication
- User accounts
- Application functionality

Where Supabase is used for a Client project, information processed through the relevant system may be subject to Supabase's privacy and security practices.

The exact information stored depends on the functionality implemented for the project.

21. Vercel and GitHub

Maztaa may use:

- **Vercel** for website deployment and hosting
- **GitHub** for source-code hosting and development collaboration

Project information and technical data may therefore be processed through these services.

Their respective terms and privacy policies may also apply.

22. Children's Privacy

Maztaa's services are primarily intended for businesses and adults.

Maztaa does not knowingly collect children's personal information for purposes unrelated to providing its services.

If Maztaa becomes aware that personal information belonging to a child has been provided without appropriate authorization, reasonable steps may be taken to address the situation.

23. Third-Party Websites

The Maztaa website may contain links to third-party websites or services.

Maztaa is not responsible for the privacy practices, security, or content of third-party websites.

Users should review the privacy policies of third-party websites before providing personal information.

24. Automated Decision-Making

Maztaa does not currently use personal information to make decisions about individuals using solely automated decision-making that produces legal or similarly significant effects.

If this changes, this Privacy Policy will be updated where required by applicable law.

25. Changes to This Privacy Policy

Maztaa may update this Privacy Policy from time to time.

Changes may be necessary because of:

- Changes to our services
- Changes in technology
- Changes to third-party providers
- Changes in applicable law
- Changes in how personal information is processed

The latest version will be published on the Maztaa website.

The **Last Updated** date at the top of this Privacy Policy indicates when it was most recently revised.

Where required by law, appropriate notice will be provided for significant changes.

26. Applicable Rights and Laws

This Privacy Policy is intended to describe Maztaa's general privacy practices.

Privacy rights and obligations may vary depending on the country or jurisdiction in which an individual is located.

Where mandatory data-protection or privacy laws apply to a particular individual or transaction, those mandatory requirements will apply to the extent required by law.

Nothing in this Privacy Policy is intended to remove or restrict privacy rights that cannot legally be excluded.
